Now that the DRA (Downtown Roseburg Organization) is formed and it's newly created bylaws and corporation documents are all complete, we are ready for our committee to begin.

We have been lucky to have been chosen as a Main Street program from the State of Oregon (for free) and they have staff that will help support our organization and this committee.

Sheri Stuart from the Oregon Main Street program will conduct our first meeting with an introduction of what we can do and how we can do it. She has been running the state program for a couple years now and will be a wealth of information to our local activities. <http://www.oregon4biz.com/Grow-Your-Business/Business-services/Main-Street/>

It will be up to our committee as to what we decide are our goals and how we work to get them done.

Brian from the Planning Department will assist us through the City's red tape. Brian has been a very good advocate for Downtown. It will be up to you, whether you want to have Brian from the City at our meetings or not.

So, please mark your calendar for Tuesday, Feb 1st at 10am. Our meetings will be held at my office,

where we have a board room. Please RSVP for your attendance. Our first meeting should last about 2 hours and Sheri will be there to answer questions that you may have.

Thank you for your patience on starting this committee. There was a lot of background work that had to begin in order for us to begin.

Thanks,

Gary Leif
